Investigate the Institute

July 19th from 9 a.m. to 1:30 p.m. (lunch provided)
Vet Tech Institute
18020 S. Oak Park Ave., Tinley Park

This event gives high school students a chance to learn about a career in Veterinary Technology while exploring a structured college environment. Participants will get to meet and work with other students that share the same passion for animals by participating in hands-on workshops, observing a surgery, and attending an actual college class.
